PATRIOTIC "PEACE" SHELF DECOR

CUTTING: Cover an appropriate size area of wood with Transfer Paper (#CARB). Lay the pattern over the transfer paper and transfer each piece cut lines onto the appropriate thickness of wood by simply tracing with a pen, pencil or stylus (#STY). Cut Body from 1-1/2" thick wood. Cut Fingers and Thumb from 5/32" thick wood. Using a drill, make a starter hole within each inside area to be cut out. Place blade of jigsaw in hole, cut over to line then around entire area to remove wood. Fill voids and defects in wood using wood filler. Sand wood filler (#WF8) and all surfaces to desired smoothness.

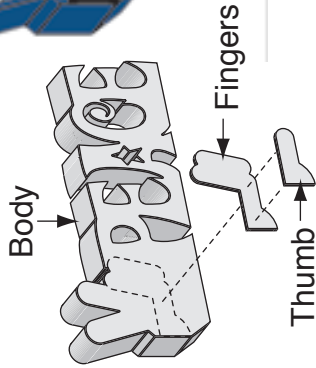

ASSEMBLY: (Refer to Assembly Diagram.) Locate and glue Fingers to Body where shown, keeping outside edges flush. Locate and glue Thumb to Fingers as shown, keeping outside edges flush.

PAINTING: Use Delta brand (or equal quality) acrylic craft paint to paint the different areas as noted or colors of your choice.

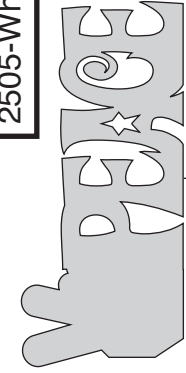

FINISHING: For maximum protection coat your project with at least two coats of our durable project sealer (#POLYQT).
